

[Date]

Dear [name],

We are grateful to live in Arizona, where we have lots of choices in how we educate our children. We've decided the best place for [child] is [name of school].

Would you please make a charitable donation to PrivateSchoolScholarships.org to help [child] attend [name of school] this year? You will qualify for a dollar for dollar Arizona tax credit and an itemized deduction on your federal income tax return (making it possible that you will *make* money.)

By filling out the enclosed donation card or going online to PrivateSchoolScholarships.org, you can recommend your donation go to [child.] PrivateSchoolScholarships.org cannot release donor names, so if you donate, please let us know so [child] can send a thank you card.

Thanks for considering our request. We appreciate you very much!

All our love,

The [Name] Family
