Dear Lucas,

Congratulations on your selection as 2018 Gerber Spokesbaby. We are very happy for you and everyone who will have the opportunity to be blessed by your beautiful smile. I had the chance to see your warm personality during your interview on the Today Show and by watching the video they presented.

I want to be more like you—open, friendly, kind. You have much to teach us and I am thrilled you have been given the platform to touch many lives.

Wishing you and your family every happiness.

Love,

Richard Pyper  
Executive Director
