A non-profit K-12 school tuition organization
helping low-income families

Why Donate?

It doesn't cost you anything
except a little bit of your time.

When you donate up to each year's cap (see the back of this brochure for details), you'll receive a dollar for dollar tax credit toward your Arizona income tax. You have 5 years to use up your credit.

If you itemize deductions on your federal Schedule A you may also be able to apply the amount of your donation toward state taxes paid. You can even group two years of donations in one year to increase the chances of itemizing by paying for last year's donation before May 18 of this year and this year's donation before December 31. (Check with your tax adviser for your particular circumstances).

You'll be helping kids with special needs have
the choice of a private school education.

Frankly, when it comes to education, one size doesn't fit all. Kids with special needs particularly benefit from the custom lesson plans and individualized attention private schools are in a unique position to deliver. While we are able to provide scholarships to students in nearly every situation, we've chosen to focus on helping students from low-income families with physical, psychological, and/or intellectual special needs.

Having associated with children in these circumstances for over 40 years, it's where we feel we can make our greatest contribution. Your donation will help families with students who have special needs choose the educational setting best for them.
